ABOUT ME

I am an entry-level professional videogame developer, a gamer enthusiast of videogame programming, and a guy slightly obsessed for code quality. I am a determined, rational, sincere and also a little frank guy but my main characteristic is that I am extremely sunny.

EDUCATION HISTORY

Digital Bros Game Academy

One year course in Game Programming, 2020

High School : I.T.I.S Ettore Majorana

Graduate in computer science and telecommunications

TECHNICAL SKILLS
